Subject: Participant funding EA0708-007

Good Morning

This is a response to the letters received requesting financial assistance from the Review Board for travel and accommodation to the Taltson Hydroelectric Expansion Project public hearing in Dettah, January 2010. Unfortunately, the Review Board does not have participant funding available.

Please contact Tawanis Testart after January 4th, 2010 if you have any questions or concerns regarding this environmental assessment (EA0708-007).

Regards,

Nicole Spencer
