**Re: Environmental Assessment of the Proposed Corporation
Taltson Hydroelectric Expansion Project**

In accordance with Treaty 8, 1900 adhesions - the true owners of the Taltson River area are the descendents of Chief Snuff of the Yellowknives (also known as the Taltson River/Rocher River People). Therefore, any matters dealing with the Taltson River area is to be directed to the Taltson River People. No other band or people have the legal authority to do so in accordance with Treaty 8, 1900 adhesions.

For further information regarding Chief Snuff's band of Yellowknives - please see my web page at <http://www.theedge.ca/barbarabeck/> titled "Where are the True Yellowknives".
