

## Note to File

EA1011-007

---

February 11, 2011

On February 3, 2011, Deze Energy submitted a request for extension on the *Revised Routing Proposal* for the Taltson Hydro Expansion project. The developer asked the Review Board for an extension date of **March 7<sup>th</sup>, 2011**. The Review Board is granting the developer this request.

Please note that all parties to this environmental assessment are now required to submit any comments on this new proposal within 60 days after the new **March 7<sup>th</sup>** deadline.

If you have any questions please do not hesitate to contact our office.
