

## Note to File

---

Monday, November 01, 2010

The Developer's Assessment Report for the proposed Giant Mine Remediation Project is now available on the Review Board's FTP site. To access it, open your web browser and enter <ftp://199.247.52.13/> in the address bar. For those preferring smaller files, lower resolution versions of the figures are posted on the Review Board website.
