Date Received

February 28, 2011

Linkage to Other IRs

Date of this Response

June 17, 2011

Request

Does the Giant Mine Remediation Project Team commit to bring forwarding the valid Compensation Concerns of the Métis to the Crown?

Reference to DAR (relevant DAR Sections)

Section 13.5 Resulting Commitments

Reference to the EA Terms of Reference

3.2.6.1.b: All commitments and agreements made in response to issues raised by the public during these consultations, and how these commitments altered the planning of the proposed the development

Response

No, it is the responsibility of an Aboriginal organization to advance its claims to government and/or bring forth any claim during the regulatory process.
