Re: EA0809-002: Prairie Creek Mine, Request for Party Status application

The Review Board is seeking party status submissions from participants in this environmental assessment. Canadian Zinc Corporation, as the developer, is automatically a party to these proceedings, but other organizations and individuals will need to make an application to the Review Board.

The Request for Party Status application form is attached. An electronic version can also be found on the Review Board website under Reference library, Practitioner's toolbox, Forms and templates.

When applying for party status, please identify your organization, a contact person and a statement outlining why you are seeking party status. Although all members of the public may participate in the Review Board's proceedings at any time, in order to submit formal information requests, participants must have party status.

The deadline for the submission of applications for party status is June 11, 2010. The applications can be forwarded to the Review Board by email to chubert@reviewboard.ca or pmercredi@reviewboard.ca or by fax at (867) 766-7074.

Sincerely,

Chuck Hubert
