**Re: EA0809-002 Prairie Creek Mine  
Revised technical reports submission date and revised hearing schedule**

The Review Board met on April 15, 2011 to consider the outcome of discussions held between Canadian Zinc Corporation and Review Board staff on the schedule for technical report preparation and public hearings in this environmental assessment.

Based on the agreement of the developer and concerns raised by parties during the technical meeting, the Review Board has revised the dates for submission of technical reports and for public hearings. The schedule has been revised as follows:

- June 3: Technical report submissions due
- June 6: Pre-hearing conference
- June 22: Community hearing in Nahanni Butte
- June 23-24: Public hearing in Fort Simpson

If you have any questions, please contact me by email or phone.
