**Re: EA0809-002 – Undertakings from June 23-24 Prairie Creek Mine Hearings**

During the June 23-24, 2011 public hearings for the Prairie Creek Mine in Fort Simpson, the Review Board requested the following undertakings from parties. The Review Board requests a response to the undertakings specified below by July 8, 2011 at 4 pm MT.

1. Canadian Zinc Corporation to provide an updated paste backfill analysis that describes the underground paste backfill model (see hearing transcripts June 23, 2011 p 84).
2. Canadian Zinc Corporation to provide an updated transportation needs assessment for the winter access road (see hearing transcripts June 23, 2011 p 170).
3. Fisheries and Oceans Canada (or Environment Canada) to provide Memorandum of Understanding between Fisheries and Oceans Canada and Environment Canada (see hearing transcripts June 24, 2011 p 70).
4. Natural Resources Canada to provide written contents of discussions between the geochemist with Natural Resources Canada and developer (see hearing transcripts June 24, 2011 p 208).
5. Environment Canada to provide the Canadian Council of Ministers of the Environment document titled: Guidance on the Site-Specific Application of Water Quality Guidelines in Canada: Procedures for Deriving Numerical Water Quality Objectives (see hearing transcripts June 24, 2011 p 273).

Thank you for your participation.

Sincerely,

Chuck Hubert
