Canadian Zinc Corporation – Prairie Creek Mine

Re: Updated terrain maps from Appendix D of the Responses to Information Requests document

The developer has submitted two updated maps from Appendix D of their Responses to Information Requests document. The two maps are:

- Figure II-2: Polje Valley Terrain Interpretation (originally titled Air Photos); and
- Figure II-4: Prairie Creek Mine Access Road Surficial Geological Conditions (August 2010).

The two updated maps can be viewed and downloaded from our file transfer protocol site at <ftp://199.247.52.13/> under the Prairie Creek Mine folder.

If you have any questions, please contact me by phone or email.
