Tyhee NWT Corporation, Yellowknife Gold Project

Re: Transition to the Information Request stage for the environmental assessment of Tyhee's Yellowknife Gold Project – July 26, 2011

The Review Board has decided to move the environmental assessment of Tyhee NWT Corp.'s Yellowknife Gold Project to the next stage of the process – the Information Request phase.

At this time, the Board will issue its own Information Requests to clarify important questions relating to Tyhee's presentation of data in the Developer's Assessment Report.

Workplan

The Review Board will also release a workplan for the remainder of this environmental assessment by the end of August.

Online Access to the Developer's Assessment Report

The Review Board has posted the Developer's Assessment Report for Tyhee NWT Corp.'s Yellowknife Gold Project to the online public registry for this environmental assessment. This online digital version is divided into manageable file sizes and is available on the Review Board's public registry at <http://www.reviewboard.ca/registry/>. The Review Board can also provide CD copies of the digital version of the Developer's Assessment Report upon request.

Correspondence related to this assessment should be directed to:

Paul Mercredi, Environmental Assessment Officer
