Avalon Rare Metals Inc., Thor Lake Rare Earth Element Project

Re: Developer's Assessment Report Submission – May 28, 2011

On May 20, 2011, the Developer's Assessment Report for Avalon Rare Metals Inc.'s Thor Lake Rare Earth Element Project was delivered to the Mackenzie Valley Review Board office. The Review Board is conducting a conformity check to determine the document's adequacy of response to the Review Board's Terms of Reference for this development, and will post notification on the public registry when the conformity check is complete.

Online Access to the Developer's Assessment Report

The Review Board has posted the Developer's Assessment Report for Avalon Rare Metals Inc.'s Thor Lake Rare Earth Element Project to the online public registry for this environmental assessment. This online digital version is divided into manageable file sizes and is available on the Review Board's public registry at <http://www.reviewboard.ca/registry/>. The Review Board can also provide CD copies of the digital version of the DAR upon request.
