Distribution List

EA1011-002

TNR Gold Corp. Ltd - Moose Property Exploration Project

**Re: Notice of Referral to Environmental Assessment – TNR Gold Corp. Ltd.-
Moose Property Exploration Project EA1011-002**

On July 23, 2010 the Mackenzie Valley Land and Water Board referred TNR Gold Corp. Ltd land use permit application (MV2010C0015) for mineral exploration on the north shore of Great Slave Lake. The Mackenzie Valley Land and Water Board referred the proposed development to environmental assessment pursuant to paragraph 125(1)(b) of the *Mackenzie Valley Resource Management Act* due to “significant public concern that the project might impact traditional land use activities, archaeological and heritage resources, as well as environmental resources in the context of harvesting and cumulative impacts”.

The proposed Development includes:

- Ground Geophysical surveys
- Mapping and Prospecting
- Channel sampling
- Line cutting
- Trenching
- Diamond drilling
- Camp Construction

The Mackenzie Valley Environmental Impact Review Board (the “Review Board”) will hold issues scoping sessions with interested parties and agencies to help identify what aspects of the development require further analysis in the environmental assessment. Afterwards, the Review Board will determine both the scope of the development and scope of the assessment to produce a draft Terms of Reference and Work Plan. Please browse the following website for further information on the Review Board’s processes:

http://www.reviewboard.ca/review_board_101.

The Review Board will post an electronic copy of the TNR Gold Corp. Ltd.-Moose Property Exploration Project Description report on its public registry at

<http://www.reviewboard.ca/registry/>.

In the interest of an efficient process, the Review Board encourages interested parties to review the TNR Gold Corp.-Moose Property Exploration Project Description report prior to participation in the scoping sessions. Parties wishing to obtain electronic copies of the project description report should contact the Review Board at (867) 766-7050.

Please indicate before August 6, 2010 whether you wish to receive further correspondence and remain on this distribution list by returning the attached sheet by e-mail to nspencer@reviewboard.ca or by fax at (867) 766-7074.
