RE: EA1011-002: TNR Gold Corp. Ltd.- Moose Property, Request for Party Status

The Review Board is seeking party status from the distribution list in this environmental assessment. TNR Gold Corp., as a developer, is automatically a party to these proceedings, but other organizations and individuals will need to make an application to the Review Board. This is in anticipation for the public hearing on November 19th, 2010 in Yellowknife.

The request for party status form is attached. An electronic version is also available on the Review Board website under Reference Library, Practitioners toll box, forms and templates.

When applying for party status, please identify your organization, a contact person and a statement outlining why you are seeking party status. All members of the public may participate in the Review Board's proceedings at any time, however it necessary for participation in the public hearing that an organization have formal party status.

If you have any concerns or questions, please do not hesitate to contact me.
