Subject: Debogorski Land Use Review Draft Work Plan

I will not be available the following dates inclusive:

- June 2 – June 7th, 2011
- June 22- July 5th, 2011
- Aug. 16 – Aug. 29th, 2011
- Sept. 18 – Sept. 25, 2011

Some of my travel dates come on short notice. My understanding is most review board meetings are two days in the middle of the week, and that should be workable.

I understand that Snowfields land use is up August 30, 2011. I can use the camp up to that date as permitted. After that date should buildings be left I endeavor to use one of their existing buildings considering no further disturbance of surroundings would be entailed. Should that not be possible the alternative is a tent frame or a tent to be located at present Snowfields campsite.

Sincerely,
