Diamond Exploration Project**

October 17, 2011

Distribution List

Dear Parties,

Re: EA1112-001 - undertakings from the October 12th hearing in N'dilo

During the October 12, 2011 public hearing for the Debogorski Diamond Exploration Project, the Review Board requested the following undertakings from parties. As noted at the public hearing, the Review Board requests a response to the undertakings specified below by October 21st 2011 at 4:00pm.

1. Aboriginal Affairs and Northern Development Canada to provide additional information on the granting of s. 81 relief (NWT and Nunavut Mining Regulations) in the Drybones Bay area prior to 2005.
2. Aboriginal Affairs and Northern Development Canada to indicate if the NWT mining regulations are broad enough to contemplate exemption for a longer period of time than annually; for instance, until the plan of action is concluded and/or land claims settled.
3. Northern Project Management Office to contact Department of Fisheries and Oceans concerning the truck in the water, and provide the response to the Review Board.

Thank you for your participation in the public hearing.

Sincerely,

Darha Phillpot
Environmental Assessment Officer
