Notification List for EA 1112-001

Dear Parties:

Re: New Hearing Dates - Debogorski – Diamond Exploration Project, Drybones Bay

The Review Board met on September 1, 2011 to discuss scheduling conflicts between the Mackenzie Valley Land and Water Board's technical sessions for the renewal of DeBeers Snap Lake water licence (MV2011L2-0004) and the community hearing for the Debogorski – Diamond Exploration Project (EA1112-001). Given that there are a number of parties who are affected by the scheduling conflict, the Review Board has decided to postpone the Debogorski hearing.

The community hearing for the Debogorski – Diamond Exploration Project will take place on October 12 and 13 from 9:00am to 5:00pm in the Yellowknife area. Parties will be provided with additional details about the location of the hearing once the location has been determined.

The pre-hearing conference, which was scheduled for the morning of September 2nd following the Consolidated Goldwin Ventures (now Encore Renaissance) pre-hearing conference, is cancelled. For further clarity, Consolidated Goldwin Ventures (now Encore Renaissance) pre-hearing conference will still go ahead as planned. An updated work plan for EA1112-001 will be provided to parties shortly, including dates and times for the pre-hearing conference and the deadline for final submissions.
