Dear Mr. Edjericon:

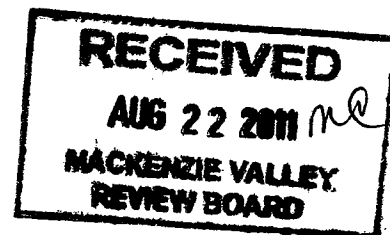

Re: CGV (Encore Renaissance Resources) & Debogorski EA Hearings

YKDFN respectfully request, given the close geographic proximity of the two projects, that the transcripts from YKDFN testimony at the CGV hearing on September 12th & 13th be automatically copied to the Debogorski EA registry. We consider it a waste of time and our limited resources to repeat, at a second hearing, information given only a few days previous.

If there are any questions, please contact the Land and Environment office at 766-3496.

Sincerely,

Randy Freeman
