Attention: Chuck Hubert, Senior Environmental Assessment Officer

**Re: EA1314-01 Jay Project, Dominion Diamond Ekati Corporation Developer's  
Assessment Report – Responses to Technical Reports**

Dear Mr. Hubert:

Dominion Diamond is pleased to provide you with our responses to the Technical Reports received for the Jay Project. Accompanying this letter we have included responses to Technical Reports from the following parties:

- Deninu Kue First Nation (DKFN);
- Diavik Diamond Mines (2012) Inc. (DDMI);
- Environment Canada;
- Fisheries and Oceans Canada (DFO);
- Government of Northwest Territories (GNWT);
- Independent Environmental Monitoring Agency (IEMA);
- Lutsel K'e Dene First Nation (LKDFN);
- North Slave Métis Alliance (NSMA);
- Transport Canada;
- Tłıchǵ Government; and,
- Yellowknives Dene First Nation (YKDFN).

We would like to thank all parties for their excellent work in reviewing the Jay Project to date and the recommendations included in their Technical Reports. We also want to reaffirm our commitment to work diligently with the MVEIRB and other parties to provide information and responses in a timely manner throughout the remainder of the process. As part of that commitment, we are open to meeting with any of the Parties leading up to the Public Hearings to discuss our responses to the Technical Reports in more detail.

Regards,

A handwritten signature in black ink, appearing to read 'R. Bargery', is written over the printed name.
