RE: Engagement for Consultation

This letter is to inform you that the Fort Resolution Metis Council (FRMC) is requesting a formal engagement meeting on consultation to discuss the Jay project.

The FRMC would like to learn the details of the Jay project as part of the early information sharing stage of consultation. We also hope that you may be able to describe any likely environmental effects so that we may be able to discuss meaningful mitigation measures.

We suggest setting a meeting date on either May 12-14 or sometime in June, at the Fort Resolution Metis Council Office; please advise if these dates are agreeable.

Should you require additional information please do not hesitate to contact myself at the above address and number, or on my cell at 780-340-3184 or email, frmcpresident@northwestel.net.

Thank you for your time and we look forward to working together.

Sincerely;

A handwritten signature in black ink, appearing to read "Kara King".
