Re: EA1314-01 Jay Project – Inclusion of Yellowknives Dene First Nation Traditional Knowledge Report to the Review Board public record

The Yellowknives Dene First Nation (YKDFN) submitted its [Traditional Knowledge Report](#) for the Jay Project environmental assessment on August 17, 2015. The YKDFN email cover letter asks the Review Board to accept the Traditional Knowledge Report as evidence on the public record while recognizing that it is a late submission.

If any parties or the developer have concerns about the fairness of including this Traditional Knowledge Report as evidence on the public record for this environmental assessment, please let Review Board staff know, in writing, by noon on August 21st, 2015.
