Re: Late submission of presentations for community hearings- Dominion Diamond Ekati Corporation's Jay Project

The Review Board received requests by the Kitikmeot Inuit Association and Lutsel K'e Dene First Nation to submit its community hearing presentations after the deadline of August 26th. The requests were received prior to the deadline. In following with the late submission policy¹, the Review Board asked Dominion if it had any concerns with the late submission. Dominion did not have any concerns. As a result of the late submission, the Review Board also granted an extension to Dominion for submission of its community hearing presentations.

The resulting deadlines are:

- August 27th for Lutsel K'e Dene First Nation
- August 28th for Kitikmeot Inuit Association
- September 3rd for Dominion Diamond Ekati Corporation
