Re: Schedule of community scoping sessions and a technical scoping session for the Jay-Cardinal Project

The Mackenzie Valley Review Board (Review Board) is holding scoping sessions for the Jay-Cardinal Project in January 2014. The purpose of scoping sessions is to identify and prioritize the issues that the environmental assessment of the Jay-Cardinal Project will focus on. This will assist the Review Board in preparing its Terms of Reference.

Technical scoping session

Review Board staff will host a technical scoping session in Yellowknife. The technical scoping session will provide regulators and other interested parties an opportunity to identify key issues based in part on the review of the developer's proposed Terms of Reference. An agenda along with a table outlining reviewer comments and developer responses to the developer's proposed Terms of Reference will be provided prior to the technical session as a basis for discussion.

The location, date and time of the technical sessions is as follows:

Yellowknife

- **Wednesday, January 8, 2014**
- **Tree of Peace**
- **9:00 am – 5:00 pm**

Community scoping sessions

Review Board staff will host community scoping sessions in Yellowknife, Behchoko and Lutsel K'e. At each of these scoping sessions, Review Board staff will briefly describe the Review Board's mandate, describe the environmental assessment process, and identify the goals of the scoping sessions. The developer will then give a presentation that describes the Jay-Cardinal Project. Afterwards, individuals and organizations have an opportunity to highlight key issues about the proposed development for the Review Board to examine during the environmental assessment.

There will be an evening session to accommodate those who work during the day. The location, date and time of the community scoping sessions is as follows:

Yellowknife

- **Tuesday, January 7, 2014**
- **Tree of Peace**
- **1:30 pm – 8:00 pm**

Behchoko

- **Tuesday, January 14, 2014**
- **Culture Centre**
- **1:30 pm – 8:00 pm**

Lutsel K'e

- **Thursday, January 16, 2014**
- **Council Chambers**
- **1:30 pm – 8:00 pm**

Next steps

After the scoping sessions, the Review Board will prepare and issue a draft Terms of Reference for public comment based on information gathered at the scoping sessions.
