Re: EA1314-01 – Jay Project, April 20-24, 2015 technical session, request for submission of CVs or resumes for technical advisors

The technical session for the Jay Project will take place from April 20-24 in Yellowknife. The final technical session agenda will be released later this week.

Parties, including the developer, are asked to submit CVs, or resumes, for any technical advisors that will participate on behalf of their respective organizations during the technical session.

The CVs or resumes will be posted to the Review Board public registry so that technical session attendees are aware of who will be speaking on behalf of the various organizations.

Please submit technical advisor CVs or resumes by April 7, 2015.

Thanks,

Chuck Hubert
