Prairie Creek All Season Road Project, Canadian Zinc Corporation

To: Distribution List

Re: Round 1 Information Requests directed to the developer and parties

On February 12, 2016, the Review Board submitted 48 information requests (IRs) for the Canadian Zinc Corporation (CanZinc)'s Prairie Creek All Season Access Road Project. Most of the IRs are directed to CanZinc, but some are directed to other parties as follows:

- IR 1 contains general information for the Developer and parties
- IRs 2-41 are directed to CanZinc
- IRs 42-45 are directed to the Government of the Northwest Territories
- IR 46 is directed to Environment and Climate Change Canada
- IRs 47-48 are directed to Parks Canada

Please note that, based on the previously issued extension to the IR submission date¹, the deadline for IR responses is March 11, 2016.

The contacts for the Project are Environmental Assessment Officers Sachi De Souza (867) 766-7054; sdesouza@reviewboard.ca and Kate Mansfield (867) 766-7062; kmansfield@reviewboard.ca.

¹ Please see note to file describing the extension on our public registry here:
