NOTE TO FILE

To: Participants

**Re: Husky Oil Operations - Chedabucto Project
Community Hearing Locations and Dates**

The Mackenzie Valley Environmental Review Board (Review Board) will hold community hearings for its environmental assessment of the Chedabucto Mineral Exploration Project in Yellowknife and Behchoko.

Public Hearing Location and Date:

Tuesday, June 23rd 2015
Yellowknife: Tree of Peace.
Time: 1:00 – 8:00

Friday, June 26th 2015
Behchoko: Elizabeth Mackenzie Elementary School,
Time: 1:00 – 8:00

The project involves small-scale exploration activities, including drilling, to evaluate a silica sand deposit. It is located on the southwestern shore of the north arm of Great Slave Lake, approximately 50 km west of Yellowknife, from Whitebeach Point to Wrigley Point, inland to Chedabucto Lake. The Review Board would like to hear the views of parties and the public about the development's potential impacts on the environment and on people.

Please be aware that the note to file issued by the Review Board on May 8 incorrectly listed the Community Hearing dates. The above dates and locations are correct.

If you have any questions or concerns please contact me.

Sincerely,

Simon Toogood
EA Officer
Mackenzie Valley Review Board
#200 Scotia Centre, 50th Avenue
