To parties

**Re: Chedabucto Project Environmental Assessment
Developer's Commitments List**

The Review Board is providing a preliminary list of developer's commitments for the consideration of all parties to this EA. The list is attached to this letter.

Please note that this list may not contain all developer commitments. If you are aware of additional commitments made by the developer found in material on the public registry for this EA please submit it to the Review Board. When submitting the commitment please provide the following:

- The wording of the commitment
- A reference for the document including the public registry number and page number

The Review Board asks parties to submit any additional commitments to the Review Board no later than June 16, 2015 at 5 pm MDT.

The Review Board will include a list of developer's commitments, including any made during the public hearings, in the Report of Environmental Assessment.

Sincerely,

Simon Toogood
