Note to File

EIR0607-001

Gahcho Kué Diamond Project, De Beers Canada

To Parties:

Re: Second round focused information requests due July 16, 2012

On June 29, De Beers Canada submitted the required documents so that parties can proceed with preparation of focused second round information requests.

The second round of information requests will be focused on the topics outlined below:

1. Reports and memorandums submitted by De Beers June 29 as follows:
 - Gahcho Kué Flow Mitigation Plan,
 - Gahcho Kué Draft Fish Habitat Compensation Plan – updated,
 - Gahcho Kué Water and Sediment Quality Objectives Framework,
 - Gahcho Kué Adaptive Management Advisory Committee – draft Terms of Reference, and
 - Detailed Alternative Analysis Report (submitted June 18).
2. Environmental Monitoring and Management Framework, May 2012 - document submitted to the Panel on May 22
 - Includes proposed wildlife management plan workshop and working group committed to by developer during technical sessions
3. Adaptive Management Advisory Committee

If parties have questions for the developer that are outside the scope of the topics listed above, the Panel recommends that parties and the developer meet together to discuss the issues and submit a meeting report for the public registry.

Second round focused information requests are due **July 16, 2012**.

Please contact me by phone or email if you have questions.

Sincerely,

(original signed by)
