

Northern Participant Funding Program (NPFPP)

Presentation for the MVEIRB's Imperial
Waste Management Facility
Environmental Assessment
Start-Up Meeting
June 29, 2022

MEET THE TEAM

We thought we would let everyone know that there have been some changes of staff within the

Northern Participant Funding Program.

Please do not hesitate to call or email us if you have any questions. We are happy to help!

Northern Participant Funding Program

- The Northern Participant Funding Program is funded from December 19, 2018 to March 31, 2023
Funding Level: \$10.3 million over 5 years
\$150,000 cap per recipient, per project, per year.
- Supports Indigenous governments and organizations, and northerners to facilitate their meaningful participation in the environmental assessment processes established under land claims agreements in Canada's three territories
- Funding is made available for environmental assessments of large, complex or controversial resource development or regional infrastructure projects (i.e., "major" projects)

Who is eligible?

Participant Requirements

The Applicant must demonstrate that they meet ***at least one*** of the following criteria:

- Have a direct, local interest in the development, such as living or owning property in the development area;
- Have an interest in potential impacts to related claims and rights;
- Have Indigenous Knowledge, Inuit Qaujimajatuqangit, Indigenous perspective, or community knowledge relevant to the environmental assessment; or
- Plan to provide expert information relevant to the anticipated environmental impacts of the development.

What are the expense categories?

Eligible expenses include:

- travel expenses (includes transportation and accommodation)
- professional fees (e.g. consultants, lawyers, Honoraria),
- non-core staff salaries,
- office supplies or telephone charges, and
- media advertising, and promotion.

Please note that core operations and maintenance expenses are not eligible for funding under the program.

What activities may be funded?

The following activities may be considered for funding:

- technical reviews of information
- research
- data collection
- community meetings
- honoraria
- collection, translation, documentation or transmission of Indigenous knowledge
- preparation of submissions and presentations
- preparation of witnesses
- retention of experts, including legal representation

Funding call open! From June 29th - July 27th

NPFP is supporting funding the **Scoping Phase** of Imperial Oil Ltd's Norman Wells Waste Management Facility Environmental Assessment.

If CIRNAC or ISC have never funded you before we may require your group to fill out a Direct Deposit form and some additional information.

Details

Company	Imperial Oil Norman Wells Operation
Type	Environmental Assessment - Ongoing
Status	public notification of commencement of environmental assessment
Contact	Chuck Hubert

Imperial Oil proposes to build and operate a waste management facility to support ongoing reclamation in the period leading up to the closure of the Norman Wells Operation. The waste management facility will also be used for long-term storage of materials contaminated by the oilfield during the final closure and reclamation of the Norman Wells Operation.

Northern Participant Funding Guide and Application

Norman Wells Waste Management Facility (EA2223-01) – Providing Participant Funding for the Scoping Phase

Northern Participant Funding Program

Pre-submission checklist

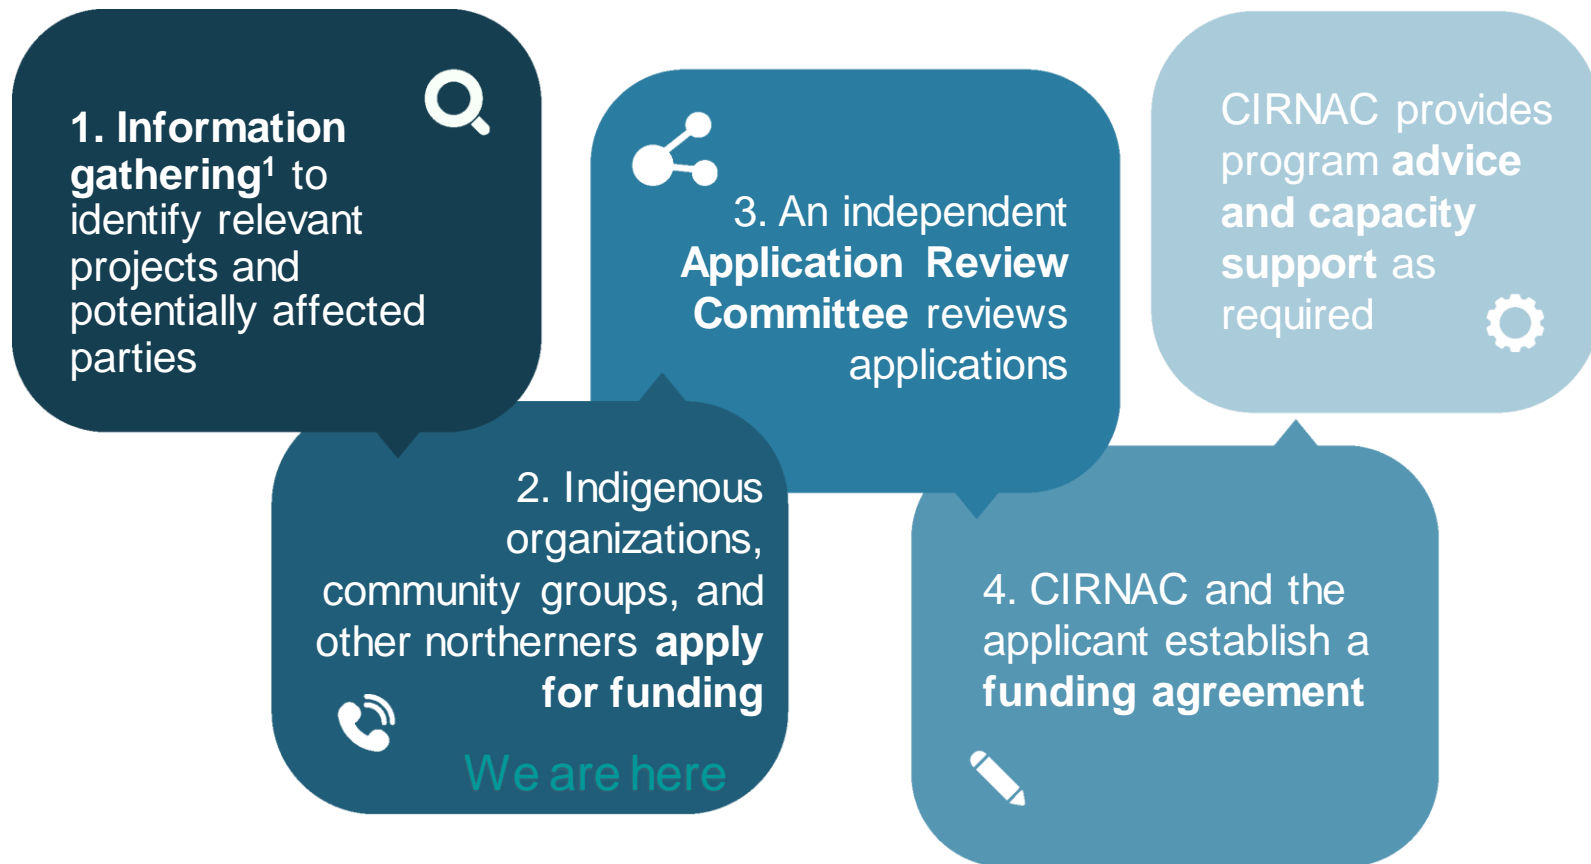

Please use this checklist to help ensure that your application is complete so that there are no delays in reviewing your application for funding.

Checklist

- Part A: Eligibility Checklist is completed
- Part B: Applicant Information is completed
- Part C: Work Plan is completed
- Part D: Expenses is completed and detailed information regarding costs and a proposed budget is included in your submission.
 - Budget calculations are complete, correct, and clearly explained where appropriate.
- Part E: Other Funding Sources is completed
- Ensure your proposal is submitted to aidefinancierparticipants-participantfunding@rcaanc-cirnac.gc.ca prior to 11:59pm MDT on Friday July 27, 2022.

How the funding process works?

¹ To identify relevant projects, NPFPP engages with CIRNAC Regional Offices and impact assessment teams, the Northern Projects Management Office, Indigenous governments and organizations, territorial governments and co-management boards.

Please note:

If you receive funding we will require a Financial and Activity report

Evaluation of Applicant's Participation in the Impact Assessment

Please describe the activities you undertook as part of your participation in the impact assessment(s), or as part of capacity building.

Did your input into the impact assessment(s) improve the Board's (or Boards') assessment(s)?	<input type="checkbox"/> Yes <input type="checkbox"/> No
<i>Please explain how your input improved, or did not improve, the Board's assessment(s)?</i>	

Did funding from the Northern Participant Funding help you participate meaningfully in the impact assessment(s) or build your capacity to participate in future impact assessments?	<input type="checkbox"/> Yes <input type="checkbox"/> No
<i>Please explain how funding from the program did nor did not help you meaningfully participate?</i>	

Please describe how your participation in (the) impact assessment(s) would have been affected or limited if you had not received funding under the Northern Participant Funding Program.

Did you take steps to ensure the views of women, gender-diverse people, youth, elders, 2SLGBTQ+, people with disabilities, people of colour, or people affected by colonial institutions or intergenerational trauma, and the different effects the project might have on them, were included in your participation in the impact assessment(s)?	<input type="checkbox"/> Yes <input type="checkbox"/> No
What steps did you take to ensure the views of women, gender-diverse people, youth, elders, 2SLGBTQ+, people with disabilities, people of colour, or people affected by colonial institutions or intergenerational trauma, and the different effects the project might have on them, were included in your participation in the impact assessment(s)?	
<small>Please note that while this question is optional, addressing it can support you in ensuring meaningful participation in the impact assessment, and the answers you provide will contribute to improving the Northern Participant Funding Program.</small>	

Evaluation of the Program (optional)

Please note that while this section is optional, the answers you provide will be used to improve the Northern Participant Funding Program.

Was your application for Northern Participant Funding processed in time to enable you to prepare effectively to participate meaningfully in the impact assessment(s)?	<input type="checkbox"/> Yes <input type="checkbox"/> No
<i>If not, please explain how any delays affected you and what you would consider a reasonable timeline for processing your funding application.</i>
