RE: Mackenzie Valley Highway Project, Online Review System training

Review Board staff will host online training meetings to instruct participants in this environmental assessment on how to upload comments and recommendations to the Online Review System.

The following dates are proposed for this online training:

- **Wednesday, December 13, 1:30-2:30 pm**
The link for this online meeting is here:

- January 2024 (date and time to be determined in the new year)

On November 22, 2023, the Mackenzie Valley Review Board started its public review of the Developer's Assessment Report (DAR) for the Mackenzie Valley Highway project. The developer is the Government of the Northwest Territories. This public review will use the Online Review System at the link below:

<https://new.onlinereviewssystem.ca/review/A2062718-6D85-EE11-8925-0022483C4492>

The purpose of the online review is for parties to make comments and recommendations to the developer about the content of the DAR. Comments and recommendations should focus on the project description, potential impacts on the environment and people, and proposed mitigation described in the DAR. The due date for comments and recommendations from parties to the developer is **February 28, 2024**.

If you have questions or need more information about this online meeting please contact Chuck Hubert, Senior Environmental Advisor at chubert@reviewboard.ca or 867 766-7052.
