**Re: Review Board staff meeting with Diavik Diamond Mines Inc.**

Review Board staff and consultants held a teleconference with staff from Diavik Diamond Mines Inc. on July 25<sup>th</sup>, 2019 to discuss remaining areas of uncertainty with respect to closure objectives and alternatives, and specifically to:

- identify the need for clarification of Diavik's response to Review Board information request 30 and discuss a plan for Diavik to provide supplementary information about reconnection of the pit lake(s) to Lac de Gras at closure.

Review Board staff will issue these supplemental information requirements in a letter to Diavik that will be posted on the public registry shortly.
