## RE: Request for Ruling, response extension to Oct 24, 2024

The Review Board's Oct 16<sup>th</sup> Directive ([PR#9](#)) about Imperial's Request for Ruling ([PR#6](#)) requested comments from parties by Oct 23 and from the developer by Oct 30, 2024.

The Délı̄në Got'ı̄në Government requested an extension for submitting its response to Oct 24, 2024. The Review Board is granting this extension and will adjust the response deadlines for parties and the developer accordingly.

The adjusted timeline is:

Process step	Deadline
Submissions from 126(2) referral authorities	October 24, 2024
Imperial's response	October 31, 2024
Review Board ruling and reasons	To be specified upon review of submissions received from participating parties
