Subject: EA 1213-02- Response Timeline Extension Request

Good afternoon Catherine,

The Government of the Northwest Territories (GNWT) is in the process of preparing responses to comments posted to the Online Review System in February. As per the Review Boards Workplan, the GNWT was to provide responses to comments prior to the end of March. Unfortunately, we will require additional time to prepare our responses and we request that the deadline be extended to April 19, 2024.

Regarding the Round 1 Information Requests submitted to the Review Board a few weeks ago, the GNWT continues to evaluate the schedule required for those responses. We hope to update you shortly on when the Review Board will receive those responses.

Please let me know if you have any questions or concerns regarding this request,
