Note to File

To all parties:

RE: Mackenzie Valley Highway - Organization of ORS comments and GNWT responses from the public review of the DAR

This Note to File describes how the Mackenzie Valley Review Board (Review Board) transferred information from the public review of the Developer's Assessment Report (DAR) from the [Online Review System](#) (ORS) to the [Public Registry](#) (PR) for the Mackenzie Valley Highway environmental assessment.

Parties reviewed the DAR and submitted comments and recommendations to the developer using the ORS from December 2023 through February 2024. The developer responded to these comments and recommendations on April 22, 2024.

The ORS information will be transferred to the public record as part of the public registry for this environmental assessment. Transferred information includes the following:

- **PR #216** contains the cover letters and tables of comments and recommendations from the Acho Dene Koe First Nation and the Northern Projects Management Office (NPMO).
- **PR #217** contains the table of comments and recommendations from parties with responses from the developer, as well as all attachments to responses that are not stand-alone documents. It also contains the cover letter for responses from NPMO. Comments and recommendations came from:
 - o Federal Departments (Fisheries and Oceans Canada, Environment and Climate Change Canada, and Health Canada), submitted by NPMO: 65 comments and recommendations
 - o Acho Dene Koe First Nation: 11 comments and recommendations
 - o Łı́ıdlı́ı Kúę́ First Nation: 40 comments and recommendations
 - o Review Board: 27 comments and recommendations
- **PR #218 to PR #225** are attachments to responses that are stand-alone documents.
