Re: Mackenzie Valley Highway – Meeting with the developer about information requests response timing

Mackenzie Valley Review Board (Review Board) staff met at the Review Board office with the Government of the Northwest Territories (GNWT, developer) on August 23, 2024, to discuss the proposed timeline to respond to information requests (IRs).

Participants:

- Review Board staff: Mark Cliffe-Phillips, Alan Ehrlich, Catherine Fairbairn, Clémentine Bouche
- GNWT: Nathan Richea, Robert Jenkins, Seth Bonnet, Patricia Coyne, Lorraine Seale, Alison Heslep

Review Board staff and the developer discussed information requirements for the alternative 4-5 year “optimal” construction timeline. They also discussed how IR response timing relates to workplan steps, including the scheduling of community and technical sessions.
