Dear Ms. Fairbairn:

GNWT responses to undertakings from the November 2024 Technical Sessions on the Mackenzie Valley Highway Project Environmental Assessment (EA1213-02)

In follow-up to our discussions last week, and the Mackenzie Valley Environmental Impact Review Board's (MVEIRB) January 13, 2024 Note to File, the Government of the Northwest Territories (GNWT) wishes to provide an update on outstanding responses to questions raised during the November 2024 Technical Sessions.

To date the GNWT has submitted responses to six of the 13 questions posted on MVEIRB's Online Review System (ORS) between December 2-5. The GNWT anticipates having responses to the remaining seven questions posted to the ORS this week, prior to MVEIRB's January 17th deadline for Information Requests.

Should you have any questions or if you would like further information, please contact me at (867) 767-9082 ext. 31032. Alternatively, you can reach out to Patricia Coyne, Manager MVH Environmental Affairs at (867) 767-9082 ext. 31033, or by email at Patricia_Coyne@gov.nt.ca.

Sincerely,
